Purchaser understands that this optional feature including its architectural features, may change substantially at any time, with or without notice from Seller or Seller's Salesperson. The RV Cover/RV Garage Option is available on a restrictive basis; based upon the lot size, lot setbacks, driveway coverage, and house plan. The depiction of this option is based upon a single-story home with an RV Cover along with additional options such as extended block wall and gate. Please see your Salesperson for more information regarding other plan configurations. Please also be aware that the Boulder City building code restricts the percentage of the front setback area that is allowed for driveway and parking coverage. StoryBook Homes will verify the lot fit, driveway coverage and setbacks for your individual homesite upon the execution of your Purchase Agreement. This option will not be guaranteed until the city issues a Building Permit. Following close of escrow Purchaser understands it is their sole responsibility to confirm with all governing entities desired use of any future improvements to the lot. Plans, products, prices, maps and designs may change without notice. Floor Plans and Elevations may vary substantially from those shown. Lic # B.0019440.LLC
